Software Engineering Student

**Email:** ceej6930@gmail.com
**Phone:** 0116548198

## Profile

Software engineering student at Zetech University who enjoys building practical programs that solve everyday problems. Seeking an internship to apply my technical skills, learn from experienced developers and grow into a professional software engineer.

## Education

**Zetech University**
Software Engineering (currently studying)

## Technical Skills

- HTML
- CSS
- Python
- Database Management

## Projects

**Student Calculator** (Python)
A calculator for students that performs basic arithmetic and helps calculate marks and averages quickly and accurately.

**Students Database** (SQL, Python)
A database system that stores and manages student records such as names, admission numbers and courses, with options to add, search and update entries.
